

Battery-powered portable power bank

Do you need a portable battery or power bank?

Watching your phone or tablet steadily run out of power when you're nowhere near an outlet is stressful. But there's an easy solution: a portable battery or power bank. They are available in many sizes and capacities and can include handy features like fast charging and multiple ports.

Why should you buy a portable power bank?

Whether you need to charge your phone, tablet, or laptop, these portable power banks will help keep you connected wherever your travels take you.

Can You charge a portable charger with a power bank?

The feature you're looking for is called passthrough charging. If the power bank supports this feature, you can charge the portable charger and a connected device simultaneously. Do solar power banks work? Power banks with integrated solar panels can work, but they are very inefficient and tend to charge very slowly when using sunlight to juice up.

Which battery is best for power banks?

Anker is the best in part because it packs more power into its batteries at a lower weight. Its batteries charge faster than competitors. Its small Anker Nano battery has the best power-to-weight ratio of any battery on our list. Which brand is best for power banks in 2025? Anker is making some of the best power banks right now.

What is the best portable power bank?

The Powkey 200W portable power bank is more than just a 4-port USB battery pack, it also has two AC outlets with enough juice to power laptops, tv, or mini fridge. The Omni 40 Plus can keep all your devices juiced up while looking great. The design is a bit more interesting than other high-capacity options, and it still packs a punch.

Is mycharge a good portable power bank?

The charging cord is shorter than other models. This portable power bank from myCharge earned the top slot in our test for its portability, battery life, and ability to accommodate both iPhone and Android models. Thanks to the USB port, type C, and lightning cable adapters included, you don't have to bring your own cables.
