

Tesla has signed its first deal to build a grid-scale battery power plant in China amid a strained trading relationship between Beijing and Washington.

Bulgaria has installed between 40 MWh and 50 MWh battery energy storage capacity to date. However, a new national legislation as well as funds provided through the ...

The draft for the RESTORE tender for support to energy storage facilities in the electricity transmission system was issued for public consultation.

Chinese manufacturer JA Solar has signed an agreement with European EPC Solarpro to supply modules for a 240MW solar power plant in Tenevo village, Yambol district, ...

Additionally, Sigenery formalized strategic cooperation with Bulgaria's leading renewable energy company Global Solar Bulgaria, signing a 200MWh energy storage ...

Wall of Chaira Hydro Power Plant The Chaira Pumped Storage Hydro Power Plant (Chaira PSHPP) was built in the Rila mountain range, about 100 kilometres (62 mi) southeast of ...

PPC Group is accelerating its expansion in the Balkans by laying the foundation stone for its Colosseum solar power project in Bulgaria. The facility will have 165 MW in peak ...

We also expect 2025 to be the year of battery storage in Bulgaria, with at least 3 gigawatts of such capacities in the pipeline. CEELM: What is the biggest ...

A 25MW/55MWh battery energy storage system (BESS) has been commissioned in Bulgaria, Eastern Europe, by operator Renalfa IPP, using technology provided by Chinese firms Hithium ...

Shanghai Sermatec Energy Technology secured a 430 MWh energy storage project in Bulgaria, offering a full-lifecycle solution to optimise grid efficiency. Sermatec began the ...

International Power Supply (IPS), a Bulgarian manufacturer of battery energy storage systems, is about to launch operations at its new facility near Sofia. Its latest model ...

On November 16, Fujian GW-level Ningde Xiapu Energy Storage Power Station (Phase I) of State Grid Times successfully transmitted power. The project is mainly invested ...

Bulgaria China Energy Storage Power Station

Sermatec began the project in August and plans to complete deliveries by December. Shanghai Sermatec Energy Technology Co., a Chinese renewable energy firm, ...

Transformation of AES Galabovo into a large-scale energy storage facility using proven technology implemented in concentrated solar power plants (CSP) using molten salts

Bulgaria's Ministry of Energy has approved EUR588 million in funding for 82 standalone battery energy storage projects, totaling nearly 9.7GWh of usable capacity. The ...

A 25MW/55MWh battery energy storage system (BESS) has been commissioned in Bulgaria, Eastern Europe, by operator Renalfa IPP, using technology provided by Chinese ...
