

Engineering Box Outdoor Mobile Power Supply

Are Lex portable power distribution boxes waterproof?

Lex products portable power distribution units have NEMA 3R, 3R Weather Resistant or 3R Rainproof environmental ratings depending on the distro box. The indoor distro boxes have a NEMA 1 Indoor environmental rating, like the versatile 100 amp 3 phase PowerHOUSE (TM) Pagoda portable distribution box.

What are outdoor electrical enclosures?

Browse our durable lineup of outdoor electrical enclosures designed to protect sensitive components from rain, dust, UV exposure, and harsh environmental conditions. Built for rugged reliability, these enclosures are ideal for exterior walls, pole mounts, solar setups, telecommunications, and remote control systems.

What are load master TM series portable power distribution boxes?

Load Master (TM) Series portable power distribution boxes are the first in the industry to feature outputs with adjustable current ratings to match specific application loads. These temporary power distribution boxes feature 1, 3 or 4 adjustable circuit breakers, with a range of amperage and voltage ratings.

Are Lex powerhouse TM & powerrack TM portable distribution boxes cULus listed?

Lex Products PowerHOUSE (TM) and PowerRack (TM) portable distribution boxes are cULus listed and ready to deliver fail-safe, convenient, long lasting products for the entertainment, industrial, and military industries that need durable and innovative power they can rely on.

What is the best power doghouse box?

Both stackable and compact for easy storage, the Lex Products Bento Box™ is the power doghouse box you want. The Bento Box™ is the smallest most portable power distribution pack in its class. This Bento Box™ series features multiple boxes that can be connected together for multiple power distribution locations from one easy source.
