

Guyana's Public Utility (GPL) has initiated a tender for three utility-scale solar PV and battery storage projects, totaling 15 MWp of solar capacity and 22 MWh of storage.

The GUY SOL initiative, funded by the Guyana/Norway partnership with an estimated investment of US\$83.3 million, aims to diversify Guyana's energy mix. In 2024, the Program is set to ...

The Applied Technical Services Family of Companies (FoC) conducts lithium ion battery testing for electric and hybrid electric vehicle manufacturers. Lithium batteries are widely used across ...

Guyana all-vanadium liquid flow energy storage battery project The project is expected to complete the grid-connected commissioning in June this year. After the completion of the ...

The Wales Gas-to-Energy (GtE) project contractor, LNDCH4 Guyana, has announced the arrival of the Backup Battery Storage System (BESS) which it says forms a ...

Explore cutting-edge energy storage solutions in grid-connected systems. Learn how advanced battery technologies and energy management systems are transforming renewable energy ...

The Gas-to-Energy project, originally scheduled for completion by the end of 2024, has been delayed. Prime Minister Mark Phillips said in May that the facility is now expected to ...

LG Energy Solution will build a new battery cell factory in the US with 43GWh annual manufacturing capacity, including 16GWh dedicated to the stationary energy storage ...

Guyana's project isn't just about storing energy--it's about harnessing chaos. With 87% forest cover and rivers that behave like moody teenagers (unpredictable and full of ...

The Guyana Energy Agency continues to support national efforts in transforming the country's sustainable low-carbon pathway and the energy sector, as it contributes to providing cleaner, ...

With our team working on-site around the clock, focused on meeting international quality standards and the arrival of the BESS, the project moves one step closer to ...

Guyana's landmark Gas-to-Energy project reached a critical milestone with the arrival of a 30-MW backup battery energy storage system (BESS) at Georgetown's John ...

Guyana Home Energy Storage Battery Production

See full statement from LNDCH4 Guyana LNDCH4 Guyana is pleased to announce the arrival of the Backup Battery Storage System (BESS) which landed at the John ...

Guyana's Public Utility (GPL) has initiated a tender for three utility-scale solar PV and battery storage projects, totaling 15 MWp of solar capacity ...

Home battery storage is a hot topic for energy-conscious consumers. If you have solar panels on your roof, there's an obvious benefit to storing any unused electricity in a battery to use at ...

Voltalia (Euronext Paris ISIN code: FR0011995588), an international player in renewable energies, announces today the start of construction of the Sable Blanc project, a combined ...
