

# Home plus outdoor power supply

Can a portable power station be used as an uninterruptible power supply?

Yes, a portable power station can be used as an uninterruptible power supply. Many portable power stations come with UPS features, like automatic switchover when power loss is detected.

What is the best portable power station for camping?

EcoFlow Delta Mini(882Wh) (Update: Out of stock): When we tested it, this model hit a sweet spot of basic functionality, capacity and price, earning it a spot on our list as the best portable power station for camping. It also supported charging with solar panels. Unfortunately, it's no longer available for sale.

Are Oupes Mega 1 portable power stations a good choice?

The Oupes Mega 1 is an excellent choice for those seeking a high-value, expandable 1kWh portable power station that doesn't skimp on charging speed or output power. It's well-suited for RVers, campers and for providing home backup for essential devices.
