

Mauritius solar energy intelligent control system supplier

Who is solar energy company Mauritius?

Tell Us More! Where did you hear about us ? We're a solar energy company in Mauritius that creates & installs full grid-tied solar systems & offers solar power, EV charging, & home solar solutions. Visit us!

Why should you install solar panels in Mauritius?

Affordable on- and off-grid turn-key solar energy solutions for your home and business. Reduced Energy Costs: One of the primary reasons Mauritian homeowners and business install solar panels is to save money on their energy bills. Solar panels generate electricity from sunlight, reducing reliance on grid electricity.

Who is gosolar & what is it doing in Mauritius?

With over 2 MW of solar commercial rooftops projects in the pipeline, GOSOLAR is emerging as one of the active players in the renewable energy sector in Mauritius. GOSOLAR has already commissioned numerous residential PV systems under the SSDG scheme, 160+kW systems under the MSDG scheme and off grid systems.

Why should you invest in solar energy in Mauritius?

Many homebuyers and commercial property investors are willing to pay a premium for properties with solar installations because they offer reduced energy costs and environmental benefits. Tax Incentives: In Mauritius MRA offers tax credits to encourage the adoption of solar energy.

How can I make Mauritius more eco-friendly?

By the way: CEB's Carbon footprint is still over 80% fossil so taking action yourself can help accelerate Mauritius to become more eco-friendly. This kit is ideal for small Mauritian households with 2 air-conditioning devices, refrigerator, washer and a water pump.

Can gosolar offer off-grid PV solutions?

GOSOLAR can also offer off-grid PV solutions. The Central Electricity Board (CEB), in collaboration with the Ministry of Energy and Public Utilities, opened up the access to the national electricity grid to commercial businesses through the launching the MSDG (Medium Scale Distributed Generation) Net Metering Scheme.
