

Mobile outdoor power charging head

Can a portable power station charge a phone?

Some can only charge phones, and others can power your entire house. Check the output wattage and battery capacity to see what a portable power station is capable of. The Westinghouse iGen160s is a basic little power station capable of keeping your electronics charged during a brief power outage or camping trip.

What is the best battery charger for camping?

If you're camping, wrap them in your clothes or even keep them in your sleeping bag so they stay warm. One of the most innovative bits of outdoor kit we've seen recently, The Charge AnyWay from GP Batteries is a 2-in-1 battery charger and power bank. It comes with 4 x nifty RecyKo+ rechargeable AA batteries.

How much power does it take to charge a smartphone?

To help you out, note that it typically takes 2,500 to 3,500mAh to charge a modern smartphone (though many factors can affect power consumption). Charging a GPS unit or digital camera is likely to consume a similar amount of power, while charging a head torch, smartwatch or GoPro will consume much less.

How do you keep a battery from recharging when camping?

Low temperatures can reduce the speed at which a battery discharges. If you're camping, wrap them in your clothes or even keep them in your sleeping bag so they stay warm. One of the most innovative bits of outdoor kit we've seen recently, The Charge AnyWay from GP Batteries is a 2-in-1 battery charger and power bank.

What devices can I power during a power outage?

Power other devices like a 55" TV for up to 4.5 hours, a car fridge for 5.5 hours or your Wi-Fi router and modem during power outages up to 19 hours. [2X 300W PURE SINE WAVE AC OUTLETS]- Power traditional AC devices with the 2x 120V AC outlets (600W Peak, Type-B Plug).

Should you buy a battery charger or a power bank?

Put simply, the larger the rated capacity (in mAh), the more juice the power bank can store - though the trade-off is increased size and weight. So if you're only carrying a smartphone on a day walk and just want a back-up power source, look for a pocket-sized battery charger.
