

Pretoria large capacity site energy battery cabinet manufacturer

What size battery cabinets are available at PSS distributors?

Battery cabinets at PSS Distributors come in various sizes and can accommodate up to 40 x 12V 100Ah batteries as well as up to 8 x 12V 200Ah. Also available are movable battery cabinets and open battery stands. Our products provide power protection and backup power to all industries, including small-to-medium size businesses.

What are omnipower stackable battery cabinets?

The OmniPower stackable battery cabinets are strong, locally-manufactured powder-coated steel units that ensure your battery bank is safely enclosed while adding great aesthetic appeal to your installation. Optional extras include professional safety fuse kits and castor wheels.

Why do you need a battery storage cabinet?

Battery boxes are essential components in a wide range of applications, ensuring the safe and reliable operation of batteries in diverse environments. Why use a battery storage cabinet? Axil lockable steel cabinets and boxes provide a dedicated and controlled environment for the housing and charging of batteries and other devices.

Which battery cabinets are suitable for omnipower opr120?

Optional extras include professional safety fuse kits and castor wheels. These battery cabinets are suitable for batteries such as OmniPower OPR120, Royal 1150K, Deltec BD1250, CSB GP12100, etc.
