Energy from the sun is free and South Africa is one of the sunniest places on Earth. Going solar is the best decision you can make. We supply solar products for the home. Panels, lithium ion batteries, inverters and many more in stock.

Is energy storage a viable option for African homeowners in 2024?

As a sector, it's been growing steadily to become the most popular combination for African homeowners in 2024. In addition to solar PV, energy storage provides low-cost, sustainable power for homes and businesses, and it is also cost-effective for standalone systems.

How good is Eskom Power Station?

The delivery service and after sales service was really very good. The Singo is working perfectly as well. Runs the TV, decoders, some lights, my PC. Not a blink when the Eskom power goes down. It doesn't get any better !!! Best Customer Experience and Products.... Very Happy and Impressed with the Power Station I bought for my Parents Thank you !!!
